

THE SLOCAN VALLEY DIRECTED FUND is a partnership between Columbia Basin Trust and the Slocan Valley Economic Development Commission, a body of the RDCK. The Commission has received funds to develop projects that **benefit the Slocan Valley as a whole** (regional not local initiatives).

In an effort to identify valley-wide priorities a series of **open public meetings** are being held – some with a specific topic and some open to all ideas. Valley residents are welcome to attend any meeting and have their voice heard. A questionnaire is also available at www.surveymonkey.com/s/LMNBW8T.

Come on out and enjoy tea or coffee and lively discussion with your valley neighbours as you contribute to the plan for an even better Slocan Valley.
